The 737 like all airliners undergoes periodic heavy maintenance this page describes soem of the maintenance programs and checks involved. The first photograph below was taken whilst the aircraft was on a D check as part of the end-of-lease process.

737 Heavy Maintenance

The majority of maintenance manuals are customised for a specific fleet, i.e. specific to a particular airline. That way Boeing only provides information that is applicable to those aircraft and even with a given manual you need to be able to filter on applicability to ensure that specific maintenance information is applicable to a specific aircraft.
