Hobart Champion 145 Arc Welder/Generator Package with ...

What a great replacement for a 43 year old Tecumseh engine on an Ariens SnoThro. New Briggs and Staton has plenty of power, is quieter, and fewer emissions. It took some time to bolt onto the chassis. Old studs didn't line up with new motor base. Filled with oil and gas, the electric starter made the motor and snow blower come to life. ...

Amazon.com : Briggs & Stratton Snow Engine 14.5 TP 305cc ...

I had a Briggs and Stratton engine on my lawnmower and it lasted 38 years. Never did anything to it but change the oil every other year and changed the sparkplug once and air filter once. The magneto finally gave up on it and I bought a new lawnmower with this engine on it and am using it for the second summer.
