To make the removal easier remove the air cleaner, carburetor, and if necessary the intake manifold. Attach the engine hoist and gently after making sure all other items are undone pull from the front.

Removing engine from 77 sportsman motorhome | DodgeTalk Forum

In the list of vehicles that I own, one is a 1969 Dodge A100 Sportsman Van. I've made the decision that I would completely go through it this year; Engine, Body, Paint, etc. I've had thoughts about posting the project and my efforts here but not sure of the interest. I'll at least take a moment to tell the story of the van since I've owned it.
