**Pretty Poison Nook  
Kari Gregg**

At the end of the day,  
Pretty Poison  
isn't perfect.  
But it sure is tasty.  
Really tasty. I have a  
thing with shifter books  
where I want to love  
them, but they usually  
leave me extremely  
irritated.

Understandably, I get  
all excited when I find  
one I can actually love.  
So far, I really like Kari  
Gregg's take on

(2013) Pretty Poison  
(2013) About book: I  
received a copy of this  
book from the author  
in exchange for an  
honest review. This was  
not a typical shifter  
book, which I liked very  
much. The author dealt  
with disabilities and  
how trauma can affect  
life, and just ...

**Books - Goodreads**

Kari Gregg has given us two wonderful main characters, who make one beautiful couple. First I met Noah a sweet, sadly disabled young man, who tugged at my heart. He has been in tortuous pain since he fell 8 stories when he was four years old.

...  
The best Kari Gregg that I have read so far, I just sucked it up like a sponge - every provocative, filthy, delectable page! Questions that I needed to ask, were left unanswered and even that didn't deter me from loving this story, 5\* all the way from me.
