RingCentral Auto-Receptionist is a sophisticated auto attendant automated phone system that handles calls to your main company number. Use this automated answering service to welcome callers with a custom company greeting.

Auto Attendant - Automated Virtual Receptionist | RingCentral

The answering machine, answerphone or message machine, also known as telephone messaging machine in the UK and some Commonwealth countries, ansaphone or ansafone, or telephone answering device, is used for answering telephones and recording callers' messages. Unlike voicemail, which can be a centralized or networked system that covers, and mostly extends, similar functions, an answering machine is set up in the user's premises alongside—or incorporated within—the user's land-line ...
