Marine stereo wiring harnesses may look intimidating, but a simple explanation makes them easier to understand. For more information visit <http://www.rockthe...>

Understanding Marine Stereo Wiring Harnesses

Many boat owners are left scratching their heads upon discovering their new Clarion marine radio remote connector does not match existing remote control plug. Why? Starting in 2009 Clarion decided to change the wired remote connector on their radios from 6 to 8-pins making it impossible to connect older wired remotes to these new radios.

CCUMRA1 Marine wired remote retention cable for Clarion

RE: Clarion xmd3 radio wireless remote I'm have the iRock version in white. Im using the Clarion xmd3 unit and added the "Y" cable splitter from ebay. The Y cable splitter allows you to use your existing wired remote, PLUS the wireless remote. So far, im totally impressed with this remote.
